

WC2026 Friends Pool - Scoring at a glance

Every points rule on one page, colour-coded by type. Full wording and edge cases are in rules.pdf.

Rule	Points / effect
In-game points (per match)	
Open-play goal	+0.5 each
Penalty scored - not a shootout	-1.5 each
Penalty scored - in a shootout	-0.5 each
Goal ruled out by VAR	-1 each
0 shots on target in a game	+4
Goal scored OR conceded in the 23rd or 67th minute	+4 (max +4 per game)
Fail to score in a game (clean sheet against you)	-1 (own both & 0-0 = 0; extra time excluded)
Prime number of total goals in the tournament (excl. shootout goals)	-3
Modifiers - these change other points, not flat	
Free-kick goal	doubles the OPPONENT team's in-game points that game - x2 (and with a 90:00 x -1 that becomes x -2). Nothing for you
Goal from 90:00 onwards (injury time, not extra time)	MULTIPLIES ALL that team's in-game points by -1 - goals, bonuses, clean sheet AND red-card dice; they STACK: ODD = negative, EVEN = cancels (3 = negative, 2 = cancels)
Red card - roll a d6	odd = +(roll/2): 1=+0.5, 3=+1.5, 5=+2.5; even = -(roll/2): 2=-1, 4=-2, 6=-3
